

PHOTOGRAPHIC SALES REPRODUCTION FEES

Fees are based on ONE-TIME USE. This is a guide only; other uses will be quoted upon receipt of application. Fees are subject to change without warning.

All prices shown are in Australian dollars and are inclusive of 10% GST. A deduction of 10% applies to goods/services purchased outside Australia.

Concession rates on reproduction and usage fees are available for educational and scholarly publications, and for museums/galleries/cultural institutions, government agencies and charities (apart from use in commercial publications and merchandise products). In some instances fees may be waived, at the discretion of the Historic Houses Trust (HHT). Reprints and further editions attract a 50% discount on original usage fee.

Reproduction and usage fees do not apply to publication within a dissertation or thesis, or for editorial purposes within newspapers and magazines.
