

I am going to Government House and this is what it looks like.

I might see a guide wearing a uniform. They are going to show me around Government House.

When I go to Government House my teacher and classmates will come with me.

I will be told where I can safely leave my bag and where the toilets are. There will also be time for recess and lunch. Everyone likes to know these things!

At the museum, the guide will explain the rules to me. I will be told when it is okay to touch certain things.

I might be asked to be involved in some group activities. That's okay as it can be interesting to listen to other people's ideas

Guides will tell me when it is time to change activities or move to another room.

Government House doesn't look like many houses I know!

Some of the rooms may look quite different from your house

I might be asked to pretend I am dancing at a ball. It can be fun to pretend to be someone else

I know I'm going to enjoy the experience of the journey to the Government House and the activities I do there.
