

I am going to the Hyde Park Barracks Museum and this is what it looks like.

I will see guides wearing uniforms and they will show me around the Barracks.

When I go to the Hyde Park Barracks Museum my teacher and classmates will come with me.

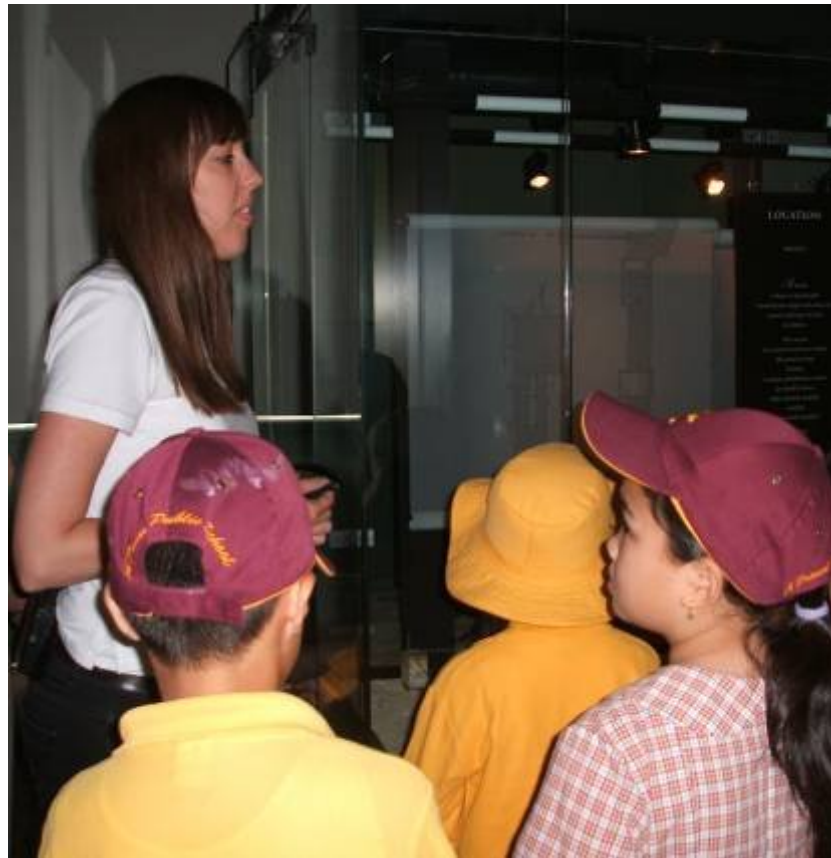

I will be told where I can safely leave my bag and where the toilets are. There will also be time for recess and lunch. Everyone likes to know these things!

At the museum, the guide will explain the rules to me. I will be told when it is okay to touch certain things. Or even get on or inside things.

Guides will tell me when it is time to change activities or move to another room.

I might hear whispered voices in some rooms but I will know it is only some sound effects.

Some of the rooms are dark and my eyes may take a few minutes to adjust.

I know I'm going to enjoy the experience of the journey to the museum and the activities I do there.
