

I am going to Elizabeth Farm and this is what it looks like.

My teacher and classmates will come with me.

When I arrive I will spend some time in this room called the Dairy to meet the guides.

I will be told where I can safely leave my bag and where the toilets are. There will also be time for recess and lunch. I like to know these things!

I will see guides dressed up in costumes. They will talk in an accent and behave in really unusual ways but they are only acting. That can be a lot of fun to see.

At Elizabeth Farm, the guide will explain the rules to me and I will be told when it is okay to touch certain things.

I might be asked to wear a costume and do some play acting.

That's okay as it can be fun to pretend to be someone or something else in an imaginary place.

Guides will tell me when it is time to change activities or move to another room.

In some rooms, my eyes may take a little time to adjust to the light levels.

But once they do I will be amazed by what I will see!

And I will be amazed by the things I will do!

I know I'm going to enjoy my journey to Elizabeth Farm and I will enjoy the activities I do there.
