

I am going to Susannah Place Museum and this is what it looks like.

I might see guides wearing a uniform.
That can be a lot of fun to see.

When I visit Susannah Place Museum my teacher and classmates will come with me.

I will be told where I can safely leave my bag.
There will also be time for recess and lunch **after**
the program. Everyone likes to know these things!

At the museum, the guide will explain the rules to me. I will be told when it is okay to touch certain things.

I might be asked to wear an apron. That's okay as it can be fun to pretend to be someone or something else in an imaginary place.

Guides will tell me when it is time to change activities or move to another room.

I will walk carefully up and down the stairs because they are very narrow and steep.

In some places, my eyes may take a little time to adjust to the light levels.

I might explore and smell some strange scents that are new to me.

I know I'm going to enjoy the experience of the journey to the museum and the activities I do there.
