

I am going to Vacluse House and this is what it looks like.

When I go to Vaucluse House, my teacher and classmates will come with me.

I will be told where I can safely leave my bag and where the toilets are. There will also be time for recess and lunch.

At Vacluse House, I will meet guides wearing a uniform. They will show me around the gardens and grounds and tell me interesting things.

I will see and visit different places at Vacluse House

I will walk through some dimly lit areas but I will be safe at all times.

I will spend time with my classmates exploring areas outside.

I will see some farm animals in their shelters.

I will see rooms inside Vaucuse House which may look quite different from my house.

I know I'm going to enjoy my experience of Vaucluse House and the activities I do there.
